The Media and Communications in Australia

Edited By Bridget Griffen-Foley and Sue Turnbull

The Media and Communications in Australia offers a systematic introduction to this dynamic field. Fully updated and expanded, this fifth edition outlines the key media industries – from print, sound and television to film, gaming and public relations – and explains how communications technologies have changed the ways in which they now operate. With chapters from Australia's leading researchers and teachers in the field, it is an ideal student text and a key resource for teachers, lecturers, media practitioners, and anyone interested in understanding these influential industries.
